This proposal would result in updates to the Board’s “Uniform Standards Related to Substance Abuse and Disciplinary Guidelines, which are incorporated by reference into the Board’s regulations. The proposed changes fall into three general categories:

- Amendments seeking to amend certain penalties that are available to the Board;
- Amendments seeking to update regulations or the Uniform Standards/Guidelines in response to statutory changes to the Business and Professions Code; and
- Amendments to clarify language that has been identified as unclear or needing further detail.

The proposal was initially approved by the Board at its meeting in August 2023.

Telehealth

Status: Public Comment Period Ended, Comments Received for Board to Review at February 2025 Meeting

This proposal would require a license be “current and active” to engage in telehealth instead of “valid and current” to conform with the actual license status types in the Board’s online licensing system; require licensees providing services via telehealth to ensure that the technology, method and equipment used to provide services complies with all applicable federal and state privacy, confidentiality and security laws; and, strike a provision that states that violation of this section is unprofessional conduct, as this authority is already provided for in statute.

The proposal was approved by the Board at its meeting in March 2024.

Continuing Education

Status: Return to Board to Review Possible Modifications at February 2025 Meeting

This proposal would do the following:

- Credit up to 6 hours of CE per renewal cycle for licensees attending California Board of Behavioral Sciences meetings.
- Credit up to 18 hours of CE per renewal cycle for licensees providing direct supervision to an associate, or marriage and family therapist trainee.
- Allow other types of healthcare providers to verify a disability or medical condition for purposes of a temporary waiver of CE, and update the waiver request forms.
- Specify that the 6-hour law and ethics course required of licensees must be based on California law and ethics.

The proposal was approved by the Board at its meeting in September 2024.

Advertising

Status: Submitted to DCA for Production Phase Review

The proposal was approved by the Board at its meeting in September 2024.

Status: In Preparation for DCA Production Phase Review

This proposal would provide an alternate method of qualification for applicants who wish to obtain additional examination time due to English being their second language.
